- The Ribbon Cutting Ceremony for the newly constructed multi-purpose Basketball Court Facility at Diamond Lakes has been scheduled for **Monday, July 15, 2013 at 11:00 A.M.** Diamond Lakes Regional Park, 4335 Windsor Spring Road, Hephzibah, Ga.

This project was funded by the Special Purpose Local Option Sales Tax (SPLOST VI) and includes three (3) high school regulation basketball size courts that can also play to a variety of net games such as volleyball, modified pickleball, badminton, etc. as well as cross training and fitness. The “Flex Court” system is a fast drying, quick draining all weather surface with comfort in mind. Also included in this project are 50+ paved parking spaces and all associated site work to support this multi-game court complex.

Since the opening of this 300 acre Regional Park in 2000, the City of Augusta through the Department of Recreation, Parks and Facilities has been able to develop and expand a number of recreational amenities to meet the demands of our citizens to ensure Diamond Lakes Regional Park remains a true gem in our park system for years to come.
